IPFW
Faculty Accomplishments
2013-2014

The Office of Academic Affairs is pleased to present Faculty Accomplishments for 2013-2014. Faculty Accomplishments provides a comprehensive listing of the scholarly and creative activities of the faculty conducted during the 2013 calendar year and the 2013-2014 academic year. It is a small way for IPFW to recognize, celebrate, and thank our faculty for their endeavors.

The Office of Research, Engagement, and Sponsored Programs compiled this report from data provided by faculty in their annual reports of productivity through the Opus scholarly works database.

We congratulate the faculty for their success and encourage their continuing efforts to position IPFW at the heart of the intellectual life of northeast Indiana.

A handwritten signature in black ink, appearing to read "J Albayyari", is positioned above the name and title of the signatory.
